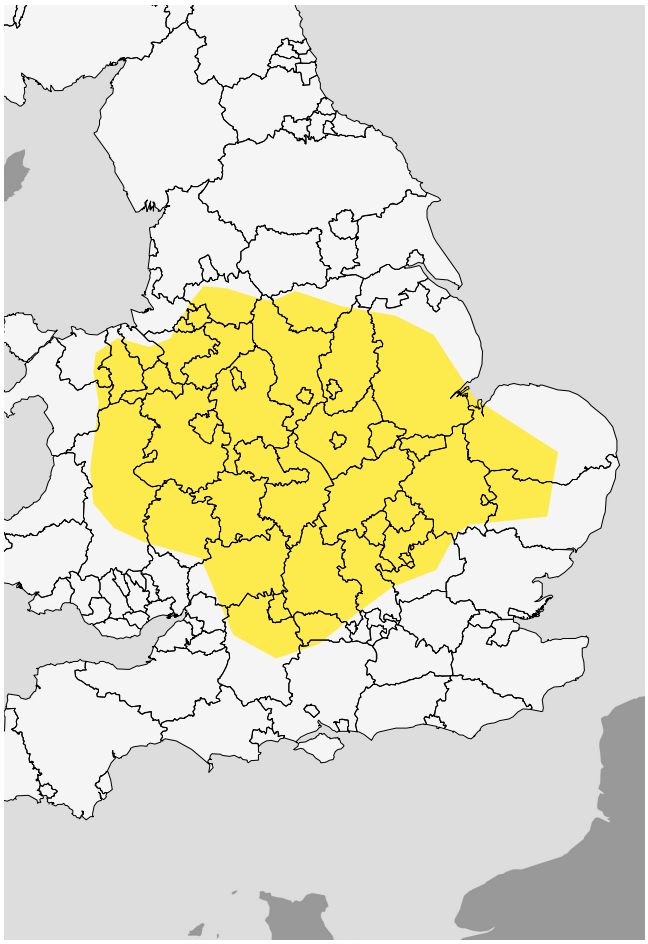
Yellow warning
Thunderstorm

Between
14:00 Sat 9 Sep 2023 and
21:00 Sat 9 Sep 2023



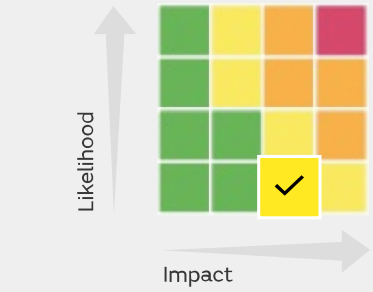
A few heavy showers and thunderstorms are possible, perhaps leading to some disruption.

What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds

Further details

While most places will stay dry, a few places may see heavy, slow moving showers and thunderstorms during the afternoon and early evening. Where these develop, heavy downpours are possible with 30 to 50mm of rain possible in 1 to 2 hours or less. Large hail and lightning are likely additional hazards.



Very low likelihood of medium impacts
